

Sinclair Broadcasting's decision to force their stations to air an anti-Kerry documentary days before the election is a clear example of the dangers of media consolidation.

Sinclair uses the public airwaves free of charge, and is obligated by law to serve the public interest. I underscore SERVE the public interests, not try to INFLUENCE an election out-come. This is wrong and needs to be stopped.

Sinclair's actions demonstrate the dangers of consolidation of media ownership and the rules prohibiting this need to be strengthened. Sinclair's license needs to be revoked if he proceeds with this disgraceful airing of anti-Kerry propaganda.

Thank you.
